

Compliance and Provision Practice

TaxOps is a leading business tax specialty firm founded by former Big Four tax executives. We use a results-only business model to deliver year-round tax solutions to dynamic clients nationwide. In addition to tax outsourcing through TaxOps, we offer targeted tax solutions and efficiency expertise through TaxOps Minimization and TaxOptimization.

Tax Expertise

Our veteran team of tax experts has come to TaxOps from some of the largest practices in the world. We help businesses develop efficient tax functions and advise in all aspects of tax compliance and provision work including the following.

- C corporation, S corporation and partnership tax planning, compliance, reporting and process improvement
- Federal, state and local income tax return preparation or partner-level review of client prepared tax returns
- Tax provision work related to ASC 740 (FAS 109 and FIN 48) Accounting for Income Taxes, including calculations, documentation and tax footnote disclosures
- Complete tax outsourcing solutions as well as contract and permanent tax placements
- Business consulting on a wide range of business issues, including formation and liquidation strategies; choice of entity selection; merger and acquisition transactions; debt restructuring; accounting method selection; evaluation of exposures; and corporate tax solutions that optimize internal and external resources

Customized Solutions

We share our clients' vision for value-driven tax solutions based on achieving sound tax objectives. Our uncommon partner-level leadership and attention drives exceptional results while ensuring that our clients have access to extensive technical and knowledge-based tax expertise throughout each engagement. Fixed-fee pricing keeps the engagement focused on achieving results, not unexpected invoices, and gives our clients the flexibility to call TaxOps professionals to discuss tax issues without incurring additional hourly fees. We thoroughly learn your business and address tax issues year-round so we can resolve tax issues and take advantage of tax opportunities at the time when we can have the greatest impact.
